Dear John,

Just a quick email to touch base re your proposed 35 SQN Association visit planned for the 09th of Aug.

CO has agreed to conduct a capability and limitations brief in the main briefing room on the day. In addition we will happily conduct tours through our new facility here in Amberley and we will have an aircraft available for people to look through.

The 09th is one of our payday BBQ days and as such your members are welcome to join us for a BBQ lunch. The BBQ will be at a nominal cost that we as Squadron members pay as a meal and drink combo (usually around \$5). I will let you know what the cost will be if your keen to join us.

Base access will no doubt be the biggest hurdle as per usual. I will attempt to get a spreadsheet out to you shortly to populate with your members details.

Proposed timeline, 09th Aug;

1000 – Meet at the Amberley main gate, process, and make our way to 35SQN

1030 – Brief by the CO in the Squadron main briefing room.

1045-1130 – Building and aircraft tour.

1140-1230 – Lunch.

1245-1300 – Return to depart at the Amberley main gate.

If you think you need more time, or would like to see something else while here, give me a yell and we will see if we can make it happen.

Kind regards,

Ralph Clifton
