Photos of people who served on the first group but not on the first edition of “Suggy’s Men” would be appreciated.

If you have a good story, but do not want to write it or cannot write it, please phone me on 0407 093 054.

Thanks and stay safe

Don Pollock

Hi John

As discussed, the 2nd edition should be ready for printing about late June. We would like to fill those empty spaces in the first edition, with untold stories from the first group. Photos of anybody who served in the first group of RTFV but missed out on the first edition would be most welcome.

The attachment gives an indication of which pages have spaces and an approximate number of words available.

Please distribute to our members

Thanks
Don Pollock
