

After eight years at the Jade Buddha the ANZAC Day function will be held at “Fridays Bar and Restaurant”, 123 Eagle Street, Brisbane. The Jade Buddha is being redeveloped. I would like to thank Gary and Phil Hogan and all the staff who have helped us over the years at the Jade Buddha. “Fridays” is approximately 200 metres to the left of the Jade Buddha site. There is a lift available at “Fridays” if you have trouble negating stairs. “Fridays” is very similar to the Jade Buddha. “Fridays” have agreed to \$7 schooners. \$7 spirits and wine. The \$7 beers are XXXX Gold and Tooheys. Beer, wine and spirits will be available at the main bar. We will have to wear a wristband so that we can receive the special prices. There is also a designated smoking area. The entry fee is \$30 for the sandwiches and canapés. The \$30 entry fee is the same as it was at the Jade Buddha. Accommodation is available at the Oaks in Felix Street, details below. The order of march is also included. This is only a draft and may be changed later. If you are not going to march, you are very welcome to attend the function.

The last 12 months have been very difficult for me with the printing of "Suggy's Men" and the issues surrounding it. There were various delays with the printing and binding. In the end we were defrauded for \$5800. We received 100 books. It's rather a long story. Oh, how we were defrauded but it's in the hands of the Queensland Police so I'm not able to say much more. I have had discussions with Mark Furner. He is the local MLA for Ferny Grove. He may be able to offer some assistance to us but I can assure you the association will not lose any money. I will personally pay for the rest of the books. The one thing I would ask - there are about 70 tickets left in the raffle that we are doing. The prize is the wooden models of all the aircraft 35 Squadron has operated. You may not like or want them but if you purchase a ticket and win you can donate them to a museum or anyone who may be interested in them or put them 'in the pool room'. Please support the raffle to help recover some money. Click on link below to purchase tickets.

These are wooden models of all the aircraft the 35 squadron have operated since 1942 as per the attached list the models were made and supplied by Duncan Berwick. All models come with a base stand with the name of the Aircraft and the year 35Sqn operated them.
